

HUNTINGTON TRAILS' NEWS

SUMMER SHAPE UP

Please take a good look at your house and ask yourself?

- Does my roof need cleaning?
- Do sections of my privacy fence need replacement or repair?
- Could my yard use some new plants or flowers?
- Does my house need painting?
- Do I need a new mailbox?

If you answer yes to any of the above or notice anything else about your property that needs fixing up, please fix it. Everyone's efforts to keep our neighborhood beautiful is appreciated by all. **Please remember to complete an Architecture Request form BEFORE starting any work that will alter the exterior of your home. NEIGHBORHOOD PROJECTS

These projects are currently in progress.

- New Landscaping on Entry Islands
- New mulch on all islands and Green Springs' Islands
- Fix pond aerator & bubbler
- The City of Safety Harbor will be removing the iron fence and two brick posts on corner of Enterprise & Green Springs. Car accidents and a tree falling have caused damage to this area. The curved portion of the fence and wall which says "The Huntingtons" will remain in place.
